

PEVACLEAN SENSITIVE

The especially gentle, perfume-free **Hand Washing Cream** for the sensitive removal of medium to heavy soiling.

With Tiny-Pearls made from carnauba wax.

PROPERTIES

PEVACLEAN SENSITIVE is an especially mild Hand Washing Cream designed for the sensitive removal of medium to heavy soiling (such as oils, fats, dust) from the skin when traditional abrasive products are not desired.

- ✓ effectively cleans even heavier dirt and is extremely gentle on the skin due to a high content of re-fattening substances.
- ✓ can be used on the entire body.
- ✓ is particularly suitable for individuals with sensitive skin.
- ✓ is HACCP-rated and can therefore be used within the framework of an HACCP concept in the food industry.

COMPOSITION

PEVACLEAN SENSITIVE consists of selected, high-quality raw materials, which are to a large extent of plant origin.

- contains a complex, synergistic surfactant system, with so-called sugar surfactants, which ensures skin-friendly removal of dirt.
- contains hardly noticeable, ultra-fine Tiny-Pearls made from plant-based carnauba wax, which gently remove dirt.
- the carnauba wax pearls come from sustainable fair-trade cultivation and do not clog drains.

- unscented
- is silicone-free
- is pH-neutral to skin
- free from preservatives*
- was rated “very good” in a dermatological-allergological test on subjects with sensitive skin.

APPLICATION

Gently rub **PEVACLEAN SENSITIVE** into dirty, dry hands until the dirt dissolves. Add some water, wash thoroughly and rinse well.

Note: Avoid contact with the eyes. In case of eye contact, immediately rinse thoroughly with plenty of water.

PRODUCT DESCRIPTION

PEVACLEAN SENSITIVE is a flowable, white to pale yellow hand washing cream, unscented.

pH-value: approx. 5.0 - 5.5

Density: approx. 0.90 g/cm³ (20°C)

* of Annex V of the EU Cosmetic Regulation

LEGAL REGULATIONS

PEVACELAN SENSITIVE complies with the EU Cosmetics Regulation and, in Germany, with the Food, Commodities, and Feed Code (LFGB).

All our cosmetic products are manufactured according to Good Manufacturing Practice (GMP) and undergo microbial quality control, as required by the EU Cosmetics Regulation.

STORAGE INFORMATION

PEVACELAN SENSITIVE can be stored in closed original containers at room temperature for at least 24 months.

SKIN CARE TIPS

When handling harmful substances, a suitable skin protection agent should be used to prevent skin damage before starting work (e. g. the generally applicable skin protection lotion **PEVAPERM PURE**).

After work, a suitable skin care product should be applied regularly onto the skin (e. g. **PEVALIND PURE**, the active substancerich skin care lotion) to regenerate the skin.

FURTHER INFORMATION

Group leaflets, specifications and dermatological reports are available on request. Certificate: The product **PEVACELAN SENSITIVE** passed dermatological-allergological tests carried out under medical supervision on sensitive skin with the rating "very good".
